

Dear Parents and Carers,

As we come close to the end of a wonderful year together, it is hard to believe how quickly time has gone! It has been an absolute privilege to watch all of the Ducklings grow, learn and flourish every day. From their first smiles and new friendships to the confidence they've gained and the many milestones they've reached, each child has made our classroom such a special place.

We have shared so many happy memories, laughter, cuddles, stories, songs, and moments. We are incredibly proud of them and excited to see them begin their next adventure, either in their new Duckling group or in the Ducks and we look forward to continuing to see the 'new Ducks' in the garden.

We will be sure to make the most out of the remaining few days with the Ducklings and be celebrating their last few days of this academic year with lots of fun!

Notices:

We will be sending forest school bags, changing clothes bags and book bags home today. Please do not return them for the last week; if your child gets wet or has an accident in the last few days, we will change them and use our spare clothes.

Next week:

Monday 6th July - last Ballet for extended day children and there will be a ballet display for parents at 1.45pm at Kenley.

Tuesday 7th July - last karate for extended day children and there will be a display in the garden at 2.15pm.

Wednesday 8th July - last day of the term and there will be no extended days. We will have an end of term party!

Monday 13th - Friday 17th July - Summer Holiday Club at Kenley from 9.00 am - 12.30 pm; there are still some spaces.

Thank you for allowing us to be part of such an important stage in your child's life. It has been a genuine pleasure, and we wish every one of the Ducklings all the happiness and success as they continue their learning journey. We also wish all the Duckling families a lovely summer holiday.

Miss Nazia, Miss Bayan and Miss Karen
