

Friday 27th June 2025

Dear Parents and Carers,

As we wind down towards the end of term and reflect on another successful week of learning, the children are brimming with knowledge all about road and water safety. They now understand that lifeguards are there to rescue people in the sea and swimming pools, and that lollipop ladies and gentlemen play an important role in helping everyone cross the road safely. We also spent some lovely time at Avondale, made great use of the Library for our Weekend News sessions, and enjoyed lots of singing with Miss Sophie from Cherry Stars! Friday was a wonderful success for our Wheelathon; thank you to everyone for taking part and cheering the children on. The children will take their book bags home on Monday as a result.
