Dear Parents and Carers,

This week, we continued learning about Transport. We enjoyed lots of discussions about different types of transport and linked our learning to our favourite story, *The Big Blue Train*.

The weather was very hot and sunny this week, so the children had great fun cooling off with the water play day in the garden, as did the teachers! We also enjoyed some ice lollies to help us stay cool, which the children loved.

Next week:

Topic - Summer

Communication and language - Our story next week will be *Summer Is Here*. The children will talk about summer, the changes we notice during the season, the clothes we wear in warm weather, and what they might be doing during their summer holidays.

Gross motor - Moving our arms and pretending to swim through a variety of fun activities.

Fine motor - Mixing ingredients and helping to cut fruit to make fruit ice lollies.

Art - Making colourful sunglasses and creating ice cream crafts.

Snack - Melon, cucumbers, satsumas, bananas, sweetcorn & peas.
