

Dear Parents and Carers,

Another busy week for the Ducks, and we have to say, a hard week on the ears for the teachers! There have been very high energy levels all week, probably partly as a result of lots of talk about graduation ceremonies, Cherry Stars shows and general excitement for the Summer. Friday was a wonderful success for our Wheelathon; thank you to everyone for taking part and cheering the children on. The children will take their book bags home on Monday as a result. This week the children have enjoyed learning all about life in space; they have enjoyed telling their own astronaut stories and doing some very messy painting.

Next week:

Literacy: Next week we will continue our focus on reading.

Maths: We will be continuing to play UNO in the classrooms and also play our interactive whiteboard games in the library.

Arts and Crafts: We have lots of arts and crafts activities that the children will be doing for the end of term. As a result, details on these will be scarce going home, as we would like them to be a surprise! Thankfully we've heard countless of the Ducks claiming they have no memories of what they do each day the moment they leave, so we're not too worried about secrets getting out of 'Fort Knox Delaneys'.

Snack - sweetcorn & peas, satsumas, cucumbers, bananas.

Other:

We can't quite believe that we are gearing up for the end of term! We will be talking about big schools, moving on, keeping in touch and all the things the children can look forward to. We will also be welcoming a number of Ducklings up to our classrooms next week to get to know their new classrooms. I am sure the Ducks will be wonderful and welcoming.
