

Friday 8th May 2026

Dear Parents and Carers,

This week we have been learning all about road safety. The children have been taking part in our role-play activities to practise how to stay safe on the road. We have been using the quote "stop, look and listen," and the children have enjoyed creating traffic lights and becoming familiar with different road signs.

The highlight of the week was when the children had their nursery photos taken — they all looked amazing and very smart! You will find details on how to order photos in their book bags.

Next week:

Topic - Insects. **letter sound:** 'e'.

Communication and language - We will be reading *The Bad-Tempered Ladybird* and encouraging the children to join in with repeated phrases, talk about the characters and describe what is happening in the story.

Gross motor - Crawling, jumping and flying activities to develop coordination and movement skills.

Fine motor - The children will be practising tracing letters and numbers to support their early writing skills.

Art - Ladybird crafts (Art book).

Forest school - Creating stick insects using sticks and natural materials found outdoors.

Snack - melon, cucumbers, satsumas, bananas, sweetcorn & peas.

Notices:

Please could we ask you to upload pictures of your child's weekend news by Monday evening, as we look forward to sharing and talking about it together on Tuesdays.

We are excited to welcome the fire brigade, who will be visiting us on Wednesday 13th, assuming they aren't called to an emergency.

Kindly remember to check your child's book bag and remove any work that has been sent home.

We have organised a tooth brushing session with the RBKC oral health promotion team on 20th May - please could you complete and return the consent form in your child's book bag.

Wishing you a lovely weekend!

Miss Bayan, Miss Nazia and Miss Karen
